

# United Through Sport Argentina Programme Dates

**Volunteering Minimum Duration:** 2 weeks +

**Preferred Duration (Agents please push this):** 4 to 8 weeks +

This makes our projects more sustainable and impacting for the kids we work with, given the relationships made and the operational management we can give to this.

**Internships Minimum Duration:** 8 weeks +

**Arrival Dates:** Participants can arrive any weekend of the year, with our preference being a Sunday arrival at the airport ready to start projects on the Monday.

Please note the following dates that may disrupt trips but we will make every effort to provide adequate activities for participants:

- Last 2 weeks of Feb - no morning sessions - other activities will be supplied
- Mid July to 1st week in Aug - school winter holidays - no morning sessions
- Mid Dec to 1st week of Jan of preceding year - Christmas holidays - start date will be 2nd weekend in Jan.
